Northwind Roasters - Shipping & Delivery Policy

Fictional company created for a portfolio demo. Last updated: January 2026.

1. Order Processing

Orders placed before 2:00 PM Eastern Time on a business day are roasted and packed within 1 business day. Orders placed after 2:00 PM, or on weekends and public holidays, are processed on the next business day. Because all coffee is roasted to order, we cannot expedite processing.

2. Domestic Shipping Options

Standard Shipping (3-5 business days) costs $5.95 and is free on orders of $45 or more. Express Shipping (1-2 business days) costs $14.50 and is never free. We ship Monday through Thursday so that parcels do not sit in a warehouse over the weekend.

3. International Shipping

We ship to Canada, the United Kingdom, Australia and the European Union. International orders take 7-14 business days and cost a flat $19.00. We do not ship to PO boxes outside the United States. Customers are responsible for any import duties or taxes charged on delivery.

4. Tracking

A tracking number is emailed as soon as your order ships. Tracking usually updates within 24 hours of pickup. If tracking has not moved for 5 business days, contact support@northwindroasters.example.

5. Lost or Damaged Parcels

If your parcel arrives damaged, report it within 7 days of delivery with a photo of the packaging and the product. We will send a replacement at no cost. If a parcel is marked delivered but you did not receive it, wait 48 hours and then contact support; we will open a carrier investigation.

6. Address Changes

Address changes are possible only before the order is roasted, which is typically within 2 hours of purchase. After that, we cannot change the delivery address.
