Northwind Roasters - Subscriptions & Product FAQ

Fictional company created for a portfolio demo. Last updated: January 2026.

1. Subscription Plans

We offer three subscription frequencies: weekly, every 2 weeks, and monthly. Subscribers receive a 10% discount on every bag and free standard shipping on all subscription orders, regardless of order value.

2. Managing a Subscription

You can pause a subscription for up to 3 months, skip a shipment, or change the roast and grind from your account page. To cancel or change an upcoming shipment, make the change at least 48 hours before the next scheduled shipment date. Changes made inside the 48-hour window apply to the following shipment.

3. Roast Dates and Freshness

Every bag is stamped with its roast date. We recommend using beans within 4 weeks of the roast date for the best flavor. Beans stay fresh in the sealed bag for up to 6 weeks if stored away from light and heat.

4. Grind Options

Whole bean, coarse (French press), medium (drip and pour-over), fine (espresso), and extra fine (Turkish) are available. Ground coffee loses flavor faster, so we recommend ordering whole bean if you own a grinder.

5. Bag Sizes and Pricing

Bags are available in 250 g ($14.00), 500 g ($26.00) and 1 kg ($48.00). Decaf is available in 250 g and 500 g only.

6. Allergens and Sourcing

Our coffee is single-origin and contains no added ingredients. It is roasted in a facility that also processes tree nuts. All beans are sourced from farms certified by Fairtrade or Rainforest Alliance.

7. Loyalty Program

Customers earn 1 point per dollar spent. 100 points can be redeemed for a $5 credit. Points expire 12 months after they are earned.
